The Kruger National Park is one of the most unspoilt natural ecosystems in Southern Africa and home to an unparalleled diversity of wildlife and is maintained by one of the world's most sophisticated management systems. The private Thornybush Game Reserve is over 11 500 hectares of pristine African bushveld with a large diversity of mammal and bird species. It is here you find the elegant and exclusive Thornybush Game Lodge offering unrivalled big game viewing and exquisite accommodation and sublime cuisine.

The 18 luxury suites line the banks of the seasonal Monwana River; all suites have spectacular views of the active water hole. Spaciously appointed, each glass fronted suite has mini bar fridge, telephones, in and outdoor showers, air conditioners and generous decks.

Enjoy exciting dawn and dusk safaris in open landrovers and on foot, take a moment to browse in the intimate library or simply relax at the pool with your favourite cocktails as you bask in Africa's glorious sunshine. Between exciting safaris drift away in the Thornybush Spa.

Children under 12 are welcome to Thornybush Game Lodge and a special children programme will make their stay special: c own rangers, a children's pack, "rat" packs for game drive (cold drinks/cookies), picnics next to the pool, and educational walks with rangers and treasure hunts. The "Ranger In Training" pack includes a back pack, colouring in book, crayons and a safari interactive toy.
